Our Profile

Travancore National School is one of the comprehensive educational institutions in Thiruvananthapuram, Kerala. We provide our students with a full range of academic, extra curricular and co-curricular opportunities.

We strive hard to demonstrate a pattern of excellence with the richness of the curriculum and preparation of our faculties. Our strength is in the combination of highly motivated students, supportive parents, talented faculties and appropriate infrastructure resources which makes Travancore National School, a unique educational experience.

In addition to preparing students for college study and for productive adult lives, we emphasize student participation in the broader community.

We have the capacity to be renowned as an outstanding school for students with varied learning abilities and disabilities, thus helping them to rediscover their genius and reignite their lives.

Twinkle Block

Our pre-school programme is moduled upon early childhood practices. The programme is designed to educate the child in a wholesome manner:

physically, intellectually, emotionally and socially. Integration of subjects provides a rich and stimulating programme which encourages creativity, imagination and self-expression. We have a secure environment where risk-taking is encouraged, and where children perceive themselves as capable and competent learners.

Our pre-school programme provides a rich classroom environment where children are encouraged to explore and challenged to learn. Your children will make new friends and develop self-confidence as they strengthen their cognitive skills

Einstein Block

Travancore National School has a specialized wing for remediation of dyslexia and other related learning disabilities. Other diagnoses may include Dyspraxia, CAPD (central auditory processing disorder), Dyscalculia (Maths), Dysgraphia (Writing), and disorder of written expression. It is common for our students to have attention (ADD or ADHD) executive function difficulties. Taken together, highly trained and dedicated faculty members implement a time tested but innovative remediation program in concert with a structured schedule, small classes, individualized attention, a technology driven rich environment and motivated students.
